Select any one (or more) of these wines, release the passion, and you are sure to please your mate. We suggest you serve these fabulous wines with Cabernet Dark Chocolate Wine Gels \$5.99

The Chocolate Block - This luscious red blend from South Africa gets its name from the spicy chocolate like profile that the wine displays. It's a unique blend of Grenache, Syrah, Cinsault, Cabernet Sauvignon and a hint of Viognier. Wine Spectator called it "A ripe, polished, slightly sweet style, displaying jammy plum and raspberry fruit layered with mocha toast" Regular price \$39.99

St. Michaels Chocolate Zinfandel - How better to treat a chocoholic on Valentine's Day than with this sumptuous blend of melted chocolate and oak-ripened red Zinfandel. Try this delicious, unique dessert wine as an after-dinner delight with dessert or *as* dessert. Regular price \$24.99 **Sale price \$17.99**

Chocovine - ChocoVine is a new beverage made in Holland from a combination of rich Dutch chocolate and Cabernet wine that Chocovine calls "the perfect union of wine and chocolate". You decide, most of our customers love it so much they come back for more. Regular price \$12.99

Piper Heidsieck Brut Rosè - What better way to show your love than with this highly rated Rosè Champagne? "Very concentrated and vibrant, this Champagne delivers cherry, cranberry and spice notes on a broad swath of cashmerelike texture. The structure emerges on the finish, but it remains focused and balanced throughout." Regular price \$49.99 **Sale price \$39.99**

Perrier Jouet Grand Brut with 2 flutes - The epitome of fine French Champagne. It is poised and stylish with layers of citrus fruit, spicy wood notes and light toast. And this package is ready to go, packed with two wonderful flutes for an instant Valentine's Day treat. Regular price \$49.99 **Sale price \$39.99**

Taittinger La Francaise Champagne - Wine Enthusiast rated this wine 91 points and said of it "A rich Champagne, beautifully elegant, touched by yellow fruits, apples and just the right amount of weight. There are final hints of toast, spice and creamy coconut milk, giving a Champagne that is as much about wine as about bubbles." You can't miss with this one! Regular price \$53.99 **Sale price \$34.99**

Lucien Albrecht Brut Rosè - This wine is vinified by the classic Champagne Method from 100% free run juice, and is one of the best sparkling wines in France outside of Champagne itself. With its delicate pink color, perfumed nose with notes of red fruits, and fine mousse, it is the ideal sparkling wine for aperitif or dessert. Regular price \$23.99

Banfi Rosa Regale - This unique red sparkling wine from Italy may be enjoyed as a delicious aperitif, between-meal or after-dinner sparkler. Aromatic with a hint of rose petals and raspberries, it marries well with chocolate, especially dark or bittersweet. Delightful, vivacious and aromatic, it can also be enjoyed with strawberries, fruit salads and a wide range of desserts. Regular price \$19.99

Dow's Quinta Senhora da Ribeira 2006 Vintage Port - What could be more luxurious than a delectable Vintage Port to end a delicious dinner and begin a very special evening? This delicious Vintage Port is loaded with fresh, powerful wild red fruit flavors, leading into rich black chocolate notes balanced by attractive and peppery tannins. Regular price \$60.99 **Sale price \$40.99**

Trentadue Chocolate Amore Chocolate "Port" - This opulent dessert wine from Merlot grapes is produced by borrowing the traditions of Port making. Regular price \$27.99 **Sale price \$19.99**

MORE VALENTINE'S DAY SPECIALS

Taylor Flagdate 2007 Vintage Port 750ml - The ultimate collector's wines, Taylor's Vintage Ports will last for fifty years or more. They are renowned for their massive structure, concentration of flavor and distinctive 'masculine' style. This vintage is stylish and racy, with a nose of dense blackcurrant and woodland fruit overlaid with discreet herbal nuances and scents of violet and rose petals. Regular price \$55.99 **Sale price \$43.99**

Taylor Flagdate 2003 Vintage Port 750ml - Robert Parker, *The Wine Advocate*, gave this vintage port 98 points and said it "improved every time I raised it to my nose or mouth... packed with sweet black fruits reminiscent of a stellar vintage Chateau Latour... Full bodied, hugely dense, immensely rich, as well as thick, this behemoth is also amazingly balanced and harmonious...". Is there anything more we can say? This is your favorite port lover's dream. Regular price \$99.99 **Sale price \$74.99**

Dows 2007 Vintage Port 750ml - This long-distance runner will reward years of patience. It got 96 points and was #6 on the *Wine Enthusiast's* Top 100 Cellar Selections of 2009: "... All the ingredients are there, supported by a tense texture to go with the first sweetness. It's an exciting wine, obviously very ageworthy." . *Wine Spectator* gave it 94-97 points: "Intense aromas of blackberry, wet earth and grape follow through to a full body, with medium-to-light sweetness, very big tannins and a mouthfilling finish. Round and delicious already. Has the stuffing to age. Powerful." Regular price \$149.99 **Sale price \$79.99**

Croft 2007 Vintage Port 375ml - "93 out of 100... There is a nice limpidity on this Croft 2007. It is not the power that strikes you but the purity with black cherries, liquorices, violets and a hint of iodine. Very tight and focused. The palate is full-bodied with chewy tannins on the entry, pure blackberry, raspberry, white pepper and Asian spice towards the finish. Very fine focus, very pure and harmonious. Sensuous finish but it just tapers away when I need more grip and assertiveness. Still, this is a lovely Croft." - Neal Martin, *Wine Journal* Regular price \$44.99 **Sale price \$24.99**

Fonseca 2007 Vintage Port 375ml - "96 out of 100... A limpid purple garnet core. The nose is quintessential Fonseca, like a riotous party reaching its crescendo in the glass. Macerated black cherries, eau-de-vie, damson, fig and a touch of Seville orange. Then what is fascinating is that the uproar dies down with aeration, becomes more focused... as if the host has asked everyone to quieten down. The palate is powerful and spicy on the entry, sweet ripe black berried fruits, a touch of spice, fig and apricot, lovely cohesion and weight building towards a deeply joyous finish that lacquers the mouth in port-like reverie. Perhaps more approachable than the 2000 or the 2003 at this stage, this is a marvellous Fonseca." - Neal Martin, *Wine Journal*
Regular price \$56.99 **Sale price \$42.99**
