Casa Gran del Siurana

GR-174

Priorat, Spain

Sale \$17⁹⁹ Reg \$21⁹⁹

This wine represents the quintessence of our estates. A combination of two properties, one (Casa Gran) providing freshness and red fruit, and the other (La Fredat) lending minerality, structure and black fruit characteristics. It is produced from all the grape varieties we grow: Garnatxa, Cabernet Sauvignon, Samsó, Syrah, Merlot and Cabernet Franc. This wine is as approachable as it is delicious.
